What is E.B.A.I.?

Employer Benefits Advisors Inc. (E.B.A.I.) is a leading, national **organization of owners** comprised of “like minded” benefit consultants who provide superior advice to their clients with respect to the design and management of group insurance and group retirement arrangements.

EBAI was created to enable each Firm to provide their clients with enhanced value through:

- Combined market intelligence, and
- Increase influence and **preferred costing** with providers made possible by combining Firms under the E.B.A.I. umbrella.

Collectively, the 37 member firms in E.B.A.I. and 80+ Advisors manage:

- Approximately **\$350 million of Group Insurance Premiums**
- Over **\$3 billion in Retirement Plan Assets** on behalf of over **4,000 employers** across North America.
